Chief, FBIB

Memorandum for the record dated 7 September 1948
concerning employment of Japanese nationals.

1. It is the desire of this office that your efforts be devoted to the recruitment of a station staff from Okinawan and foreign non-Japanese nationals wherever possible.
2. It is understood that in certain cases it will be necessary to turn to Japanese nationals where a language qualification is the essential factor and where this language cannot be obtained through recruitment outside Japan proper.
3. You are directed to comply in each case with the security provisions of both the RYKOM and FEC in connection with the employment and transportation of Japanese nationals.
